The Grim Reaper meets his match in Mrs. Fischer, a stubborn senior whose will to live is a force to be reckoned with. Equal parts hilarious and touching, this award-winning physical comedy is the story of a tenacious granny who comes face to face with the Grim Reaper himself and must put up the fight of her life to escape his definitive grip.

Grim and Fischer is performed in full-face mask, a wordless, whimsical form that audiences have described as watching a living cartoon, or live-action Pixar. The show has been touring the continent since 2011 and leaving sold out houses and delighted audiences in its wake. Don’t miss this profoundly fun and heartwarming show that the CBC describes as “Utter magic” and the Globe and Mail as “Powerful, surprising, and, yes, moving.”

Grim and Fischer is recommended for a general audience, ages 10 – adult.
